ABOUT OUR EDITIONS

MIMTC 2024 - 1st edition : The Launch

The first edition of the Middle East International Medical Tourism Congress and Fair provided diverse treatment options for patients in the Gulf and Middle Eastern countries by involving a substantial number of healthcare professionals from the United Arab Emirates, Turkey, Spain, Malaysia, Egypt, Tunisia, and India. This was accomplished through the participation of many hospitals and home healthcare providers at the MIMTC Expo, along with a variety of presentations on various healthcare topics given by specialists from more than 12 nations.

MIMTC 2025 - 2nd edition : Care, Connection & Growth

the second edition brought together global healthcare leaders, B2B facilitators, and hospitals from 20+ countries. With high-level workshops, expert-led conferences, and thousands of visitors, it strengthened MIMTC's position as a key platform in global medical tourism.

MIMTC 2025 - 3rd edition : Global Impact Ahead

The 3rd edition will elevate collaboration and innovation in healthcare, with a special focus on ethics, investment, and international patient care.

I personally made a very good contacts at this medical tourism conference. There were business partners who are active in the United Arab Emirates and others who promote medical tourism in other countries. I am looking forward to the next time.
